From Pastor John

Psalm 37:23-24 "The Lord directs the steps of the godly. He delights in every detail of their lives. 24 Though they stumble, they will never fall, for the Lord holds them by the hand."

Do you remember when your child, grandchild, niece, or nephew first took your hand to walk? It was an awesome feeling, wasn't it? Even though the child could walk (perhaps not steadily), one day they reached up and took your hand. The child felt secure and you were thrilled. Oh, you may not have said very much at the time, but I know that you felt as God feels when we reach out to take his hand.

This verse tells us that the Lord delights in every detail of our lives. Imagine that! The creator of the universe delights in every detail of our lives. God cares and loves us so much that he takes a personal interest in what goes on in our lives. God knew every detail about us before we were even born! This Bible verse says that the Lord directs the steps of the "godly." One definition of "godly" is this: believing in God and in the importance of living a moral life." I like that...believe in God and not only believe in God but in the importance of living a moral life.

It says that as we live this Godly life the Lord directs our steps. When you take ahold of a child's hand you direct the child from danger. You walk around danger, you direct the child in places that is safe, you walk with the child and you make sure that you keep the child safe.

The Bible says, "Though they stumble, they will never fall." We all stumble at times. We lose our temper, we say something unkind, we take a glance at something that we shouldn't- there are times that we stumble. We may stumble, but we won't fall. That is, we wouldn't fall down and not get up again. And the reason we won't is because the Lord holds us by our hand. If you are holding a child's hand and they stumble, you hold tighter so that they won't fall. So it is with God.

As we journey in life and as we walk hand in hand with God, know that God delights in our walk with him and he will keep us safe.

The steps of a good man are ordered by the Lord.....

From the Assistant Pastor...

"but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint." Isaiah 40:31

The Apostle Peter wrote in 2 Peter 1:2, "May God give you more and more grace and peace as you grow in your knowledge of God and Jesus our Lord." Wow! More grace and more knowledge of God and Jesus our Lord!

Mark and I went bird watching twice this past month to see the eagles on Blue Rock Road and what a thrill that is to both of us! We saw the mother eagle fly back to the nest where the father was perched close by the nest. And up popped the eaglet's head with beak wide open to receive the mother's food. I want to be like this baby eagle with mouth wide open receiving more and more of God's grace and the knowledge of my God that comes to me by God's grace. How about you? Do you desire more of God? I believe God places this longing in our hearts the same way that I long to be with my children and grand-children! Yes! That's plural! Henry Peters has new, little baby brother born on May 19, 2015. Welcome Theodore, Teddy, to the wonderful world created by your Maker, Almighty God! It's a world filled with God's amazing grace and love! Mark and I are so very happy for our dear son, his wife, and for Henry. Life is Good (as the slogan says) and I remain completely grateful to God for all the grace in my life. I hope and pray you will have a happy and blessed summer as you bask in this undeserved favor of Almighty God! Life will be good for you too!

Pastor Amy

What a great year we have had in KIDMO!! We continued with our kids in motion video led worship learning new Bible verses and stories. The kids had a blast and were learning the entire time about our Lord and Savior. We are proud to say we contributed ten boxes to Operation Christmas Child this year. We worked every week from September to their due date to collect and fill these boxes. Becca Basson shared with the kids where our boxes were going and they were very impressed. We completed several other service projects this year as well, including making place mats for Thanksgiving dinner at Atonement and "Emergency Bags" to donate to Child Inc. This is all in addition to our continued collection of Box Tops we have the members of Atonement to thank for. I am pleased to say we had more kids and more volunteers and to say I continue to be blessed in this ministry would be an understatement and I am already looking forward to next year.

Thank you for your continued support.

In Him,
Rebecca Golden

RACE AND RELIGION— BOB MCCLURE

Atonement Methodist Church

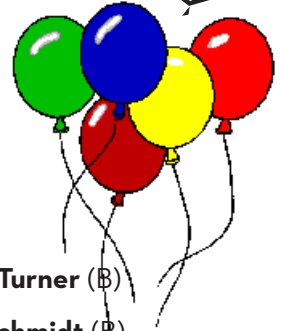

(From "The Churches of Delaware" by Frank R. Zebley - 1947)

At Claymont, was an outgrowth of Sunday School organized, in 1864, in a room over Frank Ford's grocery store which stood opposite the present Naaman's Tea House. At a meeting held on June 2, 1866, it was decided to build a church. Thomas Kimber, a Quaker, donated the site on June 7, 1866 and subscribed \$2500.00 toward the building. The church was dedicated during the following November. In 1885, the Sunday School was built.

After major improvements, reopening services were held on July 24, 1898, with Pres. Elder Robert Watt in charge. The church was damaged in the storm of Mar. 1, 1914. A large addition to house the Sunday School was built in 1927. The corner-stone was laid on the afternoon of June 26, 1927, by the Rev. J.W. Colona. The silver trowel was to be encased in glass and placed in the vestibule of the church. The dedication services were held on Nov. 13, 1927. Memorial windows were installed in 1940. A new Moller pipe-organ was dedicated on June 22, 1941. During the 75th Anniversary celebration on Nov. 16, a grove of trees, to be planted in honor of Thomas Kimber, the Quaker, was presented to the trustees.

A new chancel was built and it was used for the first time on Sun., June 17, 1945. The chancel and a large number of memorial gifts were dedicated on Sun., July 1, 1945, by Dist. Supt. Dr. Oliver J. Collins, assisted by the pastor, the Rec. Preston W. Spence, Jr.

Stakeholders Meeting of HOPE Community Church, Condensed

Held May 14, 2015

Our vision is "Bringing Hope, Connecting Lives!"

Living out our purpose: I lived out HOPE's vision to Connect Lives and Bring Hope in my everyday experiences of pastoral care. Together with HOPE's church family, we continue to meet the needs of our communities and each other in the love of God. This report will show support of those efforts. Personally, I find the Bible study at BrewHaha! to be a visible sign of HOPE's efforts to learn and grow together while being in view of other café goers. I also appreciate the Young Adult's ministry efforts to the Connections, the foster care facility at the bottom of my development. The twelve or so teenagers are one foot in juvenile detention and one foot in the world. HOPE's young adults are a positive presence for a moment in their lives and may be touching their hearts and souls with agape of God. Our Kindness Conspiracy efforts continue in the community with congregational participation. From the smallest to the greatest efforts, HOPE shows the greater Claymont area that we are people of hope who love God and one another. **Pastor Amy**

Outreach projects are designed so that one will reach out to the local area and the second to reach beyond Claymont.

Examples of past projects include; UMCOR kits, Operation Christmas Child, Green Day Claymont*, Easter egg hunts, Nothing But Nets, 30-hour famine, gift baskets for people at risk, etc.

*Green Day Claymont 2015 is Saturday June 13. UMCA / HOPE will help to clean up Claymont streets and after will have a table set up at the Claymont Community Center event. Please consider attending either or both of these opportunities to reach out to Claymont. Contact Roberta Berger if you would like more information: RARLBerger@aol.com

A general assessment as to whether the faith community is on target to meet the goals that they have set for themselves and identify any challenges that they have experienced or foresee in the near future.

HOPE Church is on target to meet the goals that have been set in the original proposal presented to CDC. In January 2015, our church had a "State of the Union" presentation and luncheon after worship. Our visions, goals, finances, and team leaders were all presented. Our revised goal for people in worship for 2015 is 100. I am optimistic that we will continually experience growth because we are continually experiencing growth, thanks be to God!!

Another goal is in HOPE's area ministries. This year we are tracking how much is spent in the five areas of worship: discipleship, fellowship (welcoming services), service projects (missions), and outreach (evangelism

and marketing that includes community efforts, billboards, door hangers, Kindness Conspiracy). On March 22, the Team Leaders gathered for the first time to share ideas, concerns, and to begin to set goals for their ministries in 2015.

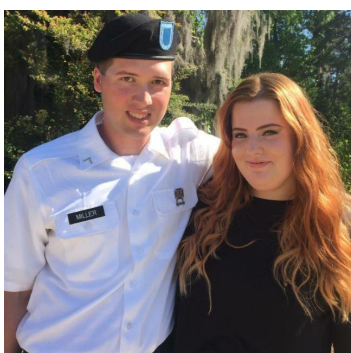

Another successful goal being met is the shared ministries and activities with Atonement Church. People of HOPE Church readily go to Atonement Church for any number of activities including Bible study, fellowship opportunities, service, and outreach opportunities. This has turned out to be a blessing to me as I see the family of God growing, serving, and sharing life together.

I do see many challenges in the future for the faith community at HOPE. However, we serve a Faithful and Almighty God who has gone before us in every other challenge we have faced. I am hoping that Atonement Church and the CDC continue to give me the support I need to go forward with God in this Great Adventure. It has indeed been indescribable, and much sweat and tears have been part of it. Yet, every person who tells me his or her experiences of meeting God at HOPE Church makes it all worth it! I stand completely amazed that God has made me part of all of this! It is tremendously humbling as well as thought-provoking to me. Thank you, Darlene for your support. And I would like to meet with you sometime soon, one-on-one, to talk more about it.

A narrative describing the activities that have been engaged in during the period: I have shared many things already in this report and will close with these thoughts: God is good, God is faithful, and God is able. God has gone before us, beside me, and even behind me to push me along when the road is difficult. Mark and Pastor John have been an indescribable source of support. And God has promised me that He won't give me more than I can handle. Please keep me in your prayers to have the wisdom, knowledge, and discernment for the days ahead. I believe the best is still yet to come.

SURGE Youth Ministry

As the year comes to a close on May 29, I would like to say thank you to every single person that has helped make this year a success. It has been a wonderful year of growing, ministering, and having fun together as a group. SURGE will be having an end of the year lock-in for those who have been in attendance for all of the year or since the New Year. This will be a great time to have fun, food, fellowship, and lack of sleep. It will happen from 7pm until 9am on the 30th of May. As we come to a close during the last few months, we have been hitting the books hard. We have studied Philippians, John, and now we are on Revelation, which is a wonderful book to finish the year off with. As the summer comes up we will be having a few activities happening. We will be going paintballing as a group and will possibly join with Cornerstone's youth group. We will also be having a BBQ either at my house or Bellevue State Park. Another thing that will be happening during the summer is a trip to Stratosphere. More information about those three activities will be coming out as they get closer. There will be times also that if the youth want to hangout during the summer, we will!

Thank you again to all those that have helped make this a successful year. The youth are awesome and are so on fire for Christ. Though there are no seniors in the group this year, it is awesome knowing that we will have six next year all ready to go into the world and spread the message of Christ.

Thank you and God bless,
Tim Derr SURGE Youth Director

VOICES BY REV. CONSTANCE HASTINGS

“The light shines through the darkness, and the darkness can never extinguish it.”

John 1:5 (NLT)

A recent college graduate, William Stride had a bright life and future before him in 1990. Intelligent and with a good family background, he seemed destined to productive work in society as a promising young man. Life should have gone well for him.

But when intrusive voices began to command him to punch out innocent strangers, anxiety and paranoia took over. Thus began a lifelong journey of living with mental illness, specifically a diagnosis of schizophrenia. It rerouted his life from hopes of graduate school and normal relationships with friends and family to years in treatment at state mental hospitals, halfway houses and group homes.

Voices Inside Me: A Personal Account of Recovery from Schizophrenia (2015) chronicles Stride as he learned about his illness and the necessary steps it takes to recover a life that can be fulfilling given with what he lives. Through the ups and downs of mental illness, he needed to come to a realization that this would never just go away, and consistent, lifetime medication is just as necessary to his well being as it would be to someone with high blood pressure and diabetes. Characteristically shy, he had to learn that while institutional life seemed to infringe on his personal freedoms, the social interaction and supervision of care givers were just as necessary as his medi-

cation. Mental illness causes many changes of perception of oneself, changes which Stride learned from in his failures as much as his successes. Whether it occurred running from the police or escapes from psychiatric hospitals, his attempts at various jobs, his intuitive sense of which persons were dangerous for him, Stride grows as he details his memory of these incidences.

Interestingly, what also grows is his gratitude for each person who affirms his humanity with kindness and fairness. With such encounters, he often describes the joy he experiences in hope that the chaotic thoughts can be stilled, and he has a purpose in not only finding his own healing but can become an advocate for others with mental illness.

While this is a secular book, there also are points in which he reaches through prayer and Bible reading for comfort and peace. At Christmas, he makes an effort to not just celebrate the season, but to remember the real meaning of Jesus' birth, the coming of The Light of the World to dispel that which would keep others from living lives of wholeness through healing. Though not one to find a place in church, he does find in his belief in God a wonder that is found and expressed in his study of astronomy, the celestial bodies set in place and motion by the Creator.

If God as Creator could order the universe, then God can also help those with mental illness find order within. *Voices Inside Me* by William Stride is a story of

recovery and hope. It is available through Amazon.
